Weekly News

What We're Up To...

Approximately 70 Yankton High School students enjoyed a fun-filled day learning about technology, manufacturing, and robotics careers during the Mini-Maker Camp on Thursday, March 31st. This new camp highlighted STEM-related careers with awesome hands on activities.

Thanks to [SD Manufacturing & Technology Solutions](#), [Lake Area Tech](#), [RTEC](#), and local manufacturing partners (Applied Engineering, ASTEC, HYDRO, Truxedo, Vishay and Wilson Trailers) for putting on such a fun, career exploring event for YHS high-schoolers.

A special thank you to Katie Roth, our MMU intern, for planning a very successful MMU Internship & Job Fest event!

More than 60 MMU students visited with over 20 local employers about internship and long-term career opportunities in Yankton.

The connections and networking experiences were momentous for all participants!
