## What We're Up To...

Welcoming Wednesday's Holiday Networking Event was held on December 8<sup>th</sup> at the Mead Cultural Education Center. The Welcoming events are designed to welcome, network and connect new comers to our community. Our December event was sponsored by Move with Mason – Vision Real Estate Services and featured delicious holiday snacks from Crazy Daisy Popcorn and the Cookie Lady. We estimate about 40 people (including young families with

children) attended and enjoyed an evening of conversations, food and fun activities. We are still determining how these events should proceed in 2022. Feedback and suggestions would be much appreciated. Please contact Rita Nelson at [rita@yanktonsd.com](mailto:rita@yanktonsd.com) or 605-665-3636.

## Manufacturing Myths—Debunked!

- THE TRUTHS ABOUT THE INDUSTRY TODAY -

Four common myths about the manufacturing industry are debunked with the data and MEP National Network success stories that prove otherwise. Myths such as automation eliminating jobs, when projections actually show automation will create 133 million new jobs worldwide by 2022.

Manufacturing being a poor career choice is a myth many in the industry have worked to dispel. Manufacturing is actually an excellent option with workers earning 32% more in benefits per hour than employees in service industries. View this infographic to learn more truths about the industry today.
