The South Dakota Chamber of Commerce & Industry's Business Caucus is in Two Weeks and YOUR VOTE COUNTS!

Join Business Day in Pierre or Be a Virtual Voter Business Day at the Legislature is Thursday, February 24, 2022.

An important part of the event is Business Caucus. The State Chamber believes it is vitally important for South Dakota legislators to understand the views and priorities of the business community. In conjunction with an up-to-the-minute issue briefing, participants vote via text message on the same issues being debated by the legislature. The cumulative results are included in a report that is delivered to members of the legislature.

To make participation convenient, there is an online option for the legislative briefing, voting in Business Caucus and to hear from Neil Bradley of the US Chamber. Bradley has led the national discussion on hundreds of high-profile policy issues. The registration fee for online is \$25. Details and registration options are at https://bit.ly/3oD5pOR.
