A huge congratulations to RTEC and Avera Education & Staffing Solutions (AESS) on successfully wrapping up their summer career and technical education academies. At the joint graduation ceremony held on Friday, June 9th, RTEC's Yankton Manufacturing Academy recognized 10 students who completed their 2-week program and AESS recognized 5 students who completed their 75-hour CNA training program.

A special thank you to the sponsors who support these youth training programs so our future workforce and community continues to thrive. The ceremony's keynote speaker, Nick Wendell, Executive Director of SD Board of Technical Education, said it best when he said be bold, be grateful, be ready.
