

# Visit Yankton

## SOUTH DAKOTA

Tourism season is gearing up and to provide the best service to our visitors,  
we have revamped our Visit Yankton website!

The same web address, [www.visitYanktonSD.com](http://www.visitYanktonSD.com), with a brand new look.

#### This site provides you:

- The same comprehensive community calendar as the Thrive website [www.yanktonSD.com](http://www.yanktonSD.com). You don't need to be a member to have an event on this calendar. Click the "+" button at the top right of the calendar to enter your event.
- A full directory listing for all Thrive members. Being listed on both sites is an added bonus for our members.
- Event planning resources, which will include the tourism grant application.
- Community maps, trail maps, and interactive maps for an enhanced visitor experience. (Thank you City of Yankton for creating the interactive maps!)
- Sign up forms for the weekly newsletter and events calendars along with visitor and relocation guides.
- An opportunity to share with us something you were looking for on the site and couldn't find it so we can build out areas with information people are looking for.

We hope you appreciate the new site as much as we do and look forward to your feedback regarding ways to continue to improve the visitor experience.

**Happy 605 Day!!!** South Dakota is one of 12 unique states in America that has only one area code, so 6/05 is our day to celebrate our home. Share the #605Day cheer on social media. Celebrate by hosting community events or swag giveaways, and encourage your community members to share their love for the 605 on social media.

For more information or questions on what you can do to join in the celebration, please contact Stephanie Palmer, Social Media Manager & Global Media Representative, at 605-773-3301 or [Stephanie.Palmer@TravelSouthDakota.com](mailto:Stephanie.Palmer@TravelSouthDakota.com).

**Congratulations to Lewis & Clark Behavioral Health Services on a successful groundbreaking last Wednesday!**

The \$26 million facility will replace the four locations in Yankton where the private, nonprofit agency provides behavioral health services across the region. The expected completion date is 16–24 months.

“It’s been the dream of the board of Lewis & Clark Behavioral Health to one day be able to site all of our facilities at one location,” Kenneth Jones, LCBHS board president, said at Wednesday’s ceremony. “For so long, it seemed like an impossible dream. So many things evaded it, and yet, here we are today.”
