Boys and Girls Club Summer Programming

The Boys & Girls Club of Yankton has some special things planned for this summer!

All youth in 1st-12th grade are welcome to become members of the Club to experience an abundance of activities, both indoor & outdoor. Swimming at Huether Family Aquatic Center will take place 4 days per week, along with a weekly field trip. Morning & afternoon snacks will be provided in between running exciting healthy lifestyles, character & leadership, and academic success programs.

The Club will also be implementing their annual summer learning loss prevention program, Power Up. Power Up will run in the mornings Monday-Thursday, from July 5th-August 4th. The focus will be on reiterating the math & reading skills they have already learned. The goal is for students to be able to pick up right where they left off for the upcoming school year!

Parents/Guardians can sign their students up for the Club or the Power Up program at their website, www.greatfuturesd.org/yankton. The Club is the perfect place to keep your kids active, engaged, and safe all summer long

Kindle's Korner

As in the past, my monthly Kindle's Korner will not be published in the months of June and July. The monthly Kindle's Korner will return in August.

Thank you to the Press and Dakotan for providing this opportunity to reach out to the parents and patrons of the Yankton School District
