# What We're Up To...

Last Thursday, we spent the lunch hour at River Rock Event Center with Call to Freedom learning about the presence of Human Trafficking in South Dakota, its intersection with the tourism industry, & what we can do as business owners, employees, & community members to make a

difference.

Thank you to everyone who attended, to Call to Freedom for sharing this important information with us, to River Rock Event Center for catering our lunch, & to our Topics at 12 sponsors who make events like this one possible: Wireless World, FNBO, First Dakota National Bank, Larry's Heating & Cooling, NorthWestern Energy, Hydro, & Avera Sacred Heart Hospital!

Last week, in partnership with Interchange, we held a forum with the Candidates for City Commission at Elks Lodge 994. We spent the lunch hour enjoying salads from Counterfeit Catering Farm House Food Co & getting to know the candidates.

Missed the forum or want to see it again? Find a link to the playback of KYNTV's live stream of the event along with in-depth interviews with each of the candidates, & election day information on our website!

*Don't forget! Absentee Voting Begins on March 25th!*

Yankton Thrive

City of Yankton

For the past three years it's been a privilege to work with you, the great members of Yankton Thrive. I have met so many wonderful people and have loved getting to know more about your business, mission, and your staff. Thursday, March 28 will be my last day with Yankton Thrive. If you have any questions or concerns, please reach out to me before then.

Hey Burger lovers!

Just a quick shout out thanking you all for participating in Burger Showdown! We're incredibly fortunate to have so many outstanding restaurants taking part in the showdown, and even more fortunate to have such a supportive community rallying behind our locally owned businesses during their off-season. It's just one of the many reasons why I'm proud to call Yankton home and believe it's a must-visit vacation destination.

With just over two weeks remaining in the showdown, I urge you all to sign up for the digital passport "Taste of Yankton" by clicking the link below. This allows you to explore all the participating businesses and conveniently 'check in' after savoring your burger. Each check-in earns you a point in the *Grand Sweepstakes* drawing for \$250 in local gift cards and Yankton swag. I've attached a step-by-step guide on how to "check in" – please don't hesitate to reach out if you have any questions.

And if that's not enticing enough to get you involved in the digital passport, I'm excited to announce we have bigger and better passports in the works. Experiencing Taste of Yankton will ensure you don't miss any of the exciting details, and we're thrilled to show you what we've been working on! In the meantime, keep enjoying those burgers, Yankton!

**Yankton Monument Co. Family Memorials By Gibson's** mission is to help every family that walks through their doors capture the story of their loved ones in stone with a unique and customized memorial design.

Scott and Mary are the second generation owners of Family Memorials! They are both slowly handing over management of the company to their three children.

Purchasing a monument for a recently lost loved one can be challenging and intimidating, both emotionally and financially. Yankton Monument Co. Family Memorials by Gibson understands this and strive to make each family that they work with as comfortable as possible.
