Signage is being placed out by the Mead Cultural Education Center within the next month so that Yankton can have a second Welcome Center on the north side of town. This will catch lake traffic coming from the north and heading out on Highway 50 west to the lake.

We have partnered with the Mead to make this a second place for visitors to learn more about Yankton and enjoy everything the community has to offer.

We feel this a beneficial partnership for both

organizations.

DIGITAL AD
EXAMPLES

Our Cooperative Advertising Campaign with the South Dakota Department of Tourism and Lewis and Clark State Park kicked off in March!

This campaign is using just about every type of media available – digital (web), social media, traditional (print, tv, radio), search engine, video, etc.

Above are a few examples of some of the digital ads.
