CONGRATULATIONS!

In 1972, Mark started Mark's Machinery with just 2 employees. Today, 50 YEARS LATER, the business has grown to over 40 employees with two locations. They thank their loyal customers and employees for the growth in the dealership. Marks Machinery has made the decision to join forces with Titan Machinery, which was not an easy decision, but has the customers' and employees' best interests in mind. Titan Machinery was recently named the #1 dealer in Case-IH sales in North America. They are excited to join the Titan team where Kevin will remain on as the lead manager for both locations.

Congratulations Mark & Kevin!
