

We are beyond excited to announce our new 'Yankton Thrive Bucks' gift card program! This program replaces our old 'Chamber Bucks' paper check program. We are excited to implement this to of course encourage local spending but also lock in additional money for participating Thrive members. Only businesses that are members of Yankton Thrive will be eligible to accept these gift cards.

To start accepting these cards, you will need to register your POS system/credit card machine following the instructions in this link: <https://bit.ly/yanktonthrivebucksgiftcard>

There is a QR code printed on each card that can be scanned to show where the cards are accepted. A page on our website will be built similar to Madison, SD's that explains the program, where to purchase Thrive Bucks, and who accepts them. [MadMoney – Greater Madison Area Chamber of Commerce \(chamberofmadisonsd.com\)](http://chamberofmadisonsd.com)

We are really looking forward to this program for both ease of use for the consumer and ease of accepting the cards. The paper checks are still eligible to be redeemed if the date is valid. The gift cards will have no expiration date. A big thank you to Kopetsky's Ace Hardware and Ace Bike & Fitness for being our first card sponsor.

Thrive Bucks make great gifts for the holidays, and we want you to be able to accept them. **Register today to be included.**

Any questions, please reach out to Becky at becky@yantonisd.com or 605-665-3636 ext 104.
