

BECOME A **PROUD**  
**YES 4!**  
**SUPPORTER**

**Yankton Thrive members** have been so generous in their commitments to the **YES4 capital campaign**. The 2 primary campaign goals, housing development and solutions along with talent attraction, retention and development have resonated within our community getting us to 95% of our \$3.2 million goal.

We are asking you to consider a 5-year pledge if you haven't yet contributed to the campaign. There is real power in numbers and we are inviting YOU to join the 75+ businesses and individuals who have already contributed from \$1000 to over \$300,000.

Yankton Thrive is PROUD of what has been accomplished through past YES campaigns in partnership with other organizations. **A few of the successful initiatives include:** Mount Marty Fieldhouse, Huether Family Aquatics Center, Westbrook Estates, dedicated staff to tackle workforce development challenges, development of spec buildings to bring new companies to Yankton such as L&M and Great Plains Processing, support of the Boys & Girls Club and so much more.
