Tis' the Season of prepping for the Holidays! And that's exactly what we are doing here at the Yankton Parks, Recreation and Special Events Department. We've officially started to set up for the Holiday Festival of Lights festivities set for Thursday, December 2<sup>nd</sup>. But we're missing just one thing..**YOU!**

Please consider registering your business or organization for the lighted parade. The theme this year is Christmas Around the World. There's no float too small or too big for this type of parade, all you need is LIGHTS and LIGHTS and even MORE LIGHTS! Registration is FREE and easy. Just click this link to register online <https://www.yanktonfestivaloflights.com/read-me>. **Deadline to register was Friday, November 19<sup>th</sup>.** It takes time to put the parade together logistically as we sort through float sizes and get everyone lined up properly, so we appreciate early registrations.

The route will pass by the Yankton Christmas Tree and is a little more pedestrian friendly along Levee/Riverside Dr. You are able to hand out candy or promotional items along the route this year. Please just no throwing or tossing. It is important to note that the entire route will have No Parking. [Click here to view the route.](#)

Parade details, such as your number, line-up time and any other information you may need will be sent out no later than Tuesday, November 30<sup>th</sup>. Thank you for your support and participation. Together we will spread cheer in our community and #lightupyankton!

## Tourism Updates

This summer the South Dakota Department of Tourism worked with journalist, Monica Fish on affordable getaways in South Dakota. She let us know that her article was recently published and Yankton have been included in the roundup!

"17. Yankton, South Dakota

Both outdoor enthusiasts and history buffs will enjoy the small town of Yankton. Located along the Missouri River, take your pick of water recreation activities, fishing, or exploring the Lewis and Clark Recreation Area, one of the state park system's most popular parks.

Located on the northern shore of the 31,400-acre Lewis and Clark Lake, it features over 20 budget-friendly activities. The downtown is bursting with history, budget-friendly dining and breweries and offers a range of accommodations giving South Dakota at least two cheap travel destinations for you to consider."
