Do you use a Netgear router?

Millions of Netgear Routers Need Security Updates Right Away — what do you need to do?

If you are using a Netgear router at home or in the office, it is a really good idea to get these updates immediately installed.

The enterprising folks at D.C.-area security firm Grimm have found yet another very serious Netgear flaw, as detailed in a report Nov. 16. This comes (relatively) hot on the heels of the previous bunch of Netgear security updates back in September of this year.
