Connecting Cultures – Yankton celebrated a successful 2021 Welcoming Week with the theme **Belonging Begins With Us!**

In Yankton, our community's success depends on making sure that all residents and visitors feel welcome. Sarah Brandt, President of Connecting Cultures, says everyone can make a positive difference by welcoming and connecting with newcomers who are either new to our schools, new to jobs and new to our community. Belonging begins with us as individuals. It is up to each of us to help make our shared home of Yankton a place where we celebrate and welcome each other. When people feel like they belong, we can create the conditions for a resilient, thriving community that embraces, connects and fully values the contributions of all residents.

Belonging Begins With Us events held this past week included:

- Welcome Week Proclamation by the City Commission.
- Painted multi-language Welcome signs at Avera Sacred Heart Hospital and at the Thrive Welcome Center.
 - A special thank you to MMU students and the Staff at Avera Sacred Heart Hospital for partnering with us to create an inclusive and welcoming community in Yankton!
- Co-hosted with Yankton Thrive a *Welcoming Wednesday event* at the MMU Soccer games.
- Co-hosted with the Market at the Meridian a Welcome Celebration with delicious samples of Guatemalan salsa and pozole.
