October is Domestic Violence Awareness Month

This year for Domestic Violence Awareness Month, River City Domestic Violence Center along with EMERGE, are bringing awareness plus action to end domestic violence in our community. One action, such as sharing our post or supporting a friend, can make a huge difference in the lives affected. It only takes one thing to spark Social Change. Be on the lookout in our community for some of these actions, such as lighting up downtown with purple lights, chalking up the city, and wearing purple on Thursday October 20th.

Awareness + Action = Social Change
